scripts/

```
robot.respond(/hei/, callback(msg) {
    msg.send("Halla");
});
```

```
robot.hear(/hei/, callback(msg) {
    log(msg)
});
```

EXPRESS_STATIC

Nytteverdi?

- ·Lavere terskel for å kommunisere
- · Lettere å få tak i informasjon
- Bedre oversikt over hva som skjer
- Tilrettelegger for automatisering
- Sentralt punkt for informasjon

Fallgruver?

- Ingen tråder som i SocialCast
- Information overload
- · "Kult" ≠ "Nyttig"
- Slack lock-in

Moro!
